

CONGREGATION BETH EL SISTERHOOD

The Beth El Sisterhood's 2008/2009 membership campaign is now in full swing. We invite you to take advantage of the opportunity to CONNECT with the dynamic group of women who have been hard at work planning projects for this year.

The Congregation Beth El Sisterhood is comprised of a diverse group of women ranging from women in their 20's through women in their 80's! An exciting new organization called *Z'havah* has been developed in the last few years. While still an integral part of Beth El Sisterhood, *Z'havah's* programming is geared to younger women. *Z'havah* gives younger members a point of focus and connection with the larger organization.

Our members encompass a wide range of interests, ages and backgrounds. Our programs are designed to stimulate your personal growth, your Jewish involvement, and your feeling of community. Last year's excellent programs included an outstanding book review by our own Rabbi Philip Graubart, a presentation by Dr. Elizabeth Barrett-Connor, a leading expert on women's health, and a special program by Tom Levy, noted archaeologist.

We welcome your participation at any level. Your annual dues will enable us to continue our work and to augment the membership roles of the women of the Conservative Movement. Membership in the Beth El Sisterhood entitles you to automatic affiliation with our parent organization, Women's League for Conservative Judaism.

Warm regards,
